Ashira is a decor that captures the subtle beauty of Zenash, a Japanese Ash, known for its fine stripes and light, structured pores. This material features a linear all-over pattern, enhanced by soft colorplay that adds depth while maintaining a clean and elegant appearance. The refined texture of Ashira offers a calm, understated aesthetic, perfect for modern spaces seeking a touch of Japanese-inspired sophistication. Its soft and clean design brings a sense of tranquility and timelessness, making it an ideal choice for interiors that value simplicity and elegance.
